

The soft contours of the R model give it an elegant simplicity which allows it to blend easily with any interior. Its sleek styling will make it an admired feature of your home, even when not alight.

The R exits in three sizes and outputs: the R23, R33 and R43. Each of the R models comes with either a graphite or alumat colored door.

R33 - Graphite

MODEL	R23	R33	R43
AxBxC (mm)	738x514x393	797x574x420	849x682x487
D (mm)	611	671	711
G Ø int. (mm)	150	150	180
Weight (kg)	104	108	155
Max. heat output (kW)	7	10	12,5
DIN heat output, nominal (kW)	6	8	10,5
Heating Capacity (m ³)*	75	100	130
Efficiency (%)	73	78	80
Emissions CO (%)	0,23	0,07	0,06
Δ Flue Gas Temp (°C)	204	250	240
Certification	CE / DIN	CE / DIN+	CE / DIN+
Max. log length (cm)	33	33	50

* Approximate heating capacity, based on average insulation
All models can be vented from either top or rear of the stove
